

## LET US

## REPLACE THE PROBLEMS WITH SOLUTIONS

- *Are you constantly mulling over how to cut down the operational cost?*
- *How to update the assortment of goods?*
- *Or perhaps you are having problems and do not know where to apply?*

*If you answered YES to at least one of the questions,  
invite the **DEMO TOUR** on wheels  
and your problems will be replaced with our solutions.*

### **DEMO TOUR includes:**

- **Presentation of innovations and possibility to try out various materials and tools:**
  - *The most advanced ESAB welding equipment;*
  - *Up-to-date Milwaukee tools;*
  - *3M occupational safety solutions;*
  - *Presentation and testing of the new generation grinding disks by Globe;*
  - *Trying of various welding wires and electrodes.*
- **Discounts:**
  - *A 10% discount will be applied during the tour and for 15 days afterwards;*
  - *Companies placing orders totaling LTL 15 000 at the time of the tour will receive a full page advertisement in SUVIRINIMAS*
- **Prizes:**

*Useful prizes will be won by the lucky ones in a draw to be taking place at the end of each month:*

  - *Welding shields, half masks for welding, various souvenirs of UAB Serpantinas, discount vouchers to be used when buying at UAB Serpantinas etc..*

***We are always looking forward to the invitation to come to  
Your city!***

*Respectfully*

**DEMO TOUR team**
